### 2. Utilization of Cookies

This website may use cookies to ensure you get the best experience on our website. Cookies ("data crumbs") are small files which enable a server to anonymously recognize the user by non personal data (see above). The user avoids a new registration at every visit. The website sends the cookie to the browser and it is saved on the users system. Naturally, you can visit our website without using cookies. You can change your browser settings to ignore cookies in general. Please note that some of our services will be limited without using cookies. Further information about the usage of cookies is given in the following under the particular application.

### 3. Collection, handling and transfer of personal data

In general, you can visit our website without providing personal data. We only collect personal data if you actively provide it to us, i.e. using our contact form or sending us a request otherwise.

We will provide information about your specific private data which we have saved, about their source and the reason of their saving. You can revoke the usage of your personal data at any time and request the erasure of your personal data. Please refer to the contact details of the imprint.

#### 4. Security Measures

To protect all personal data; MedK uses technical and organisational security methods. Using these actions, we protect all data provided to us against unauthorized access and transfer, against loss and damage as well as against accidental or unauthorized change. We continually improve our security actions according to technical standards.

#### 5. Legal Advice

We may provide links to third-party Web sites. MedK GmbH has no influence on these websites in terms of content and design. MedK GmbH has no responsibility for these third-party Web sites, which are governed by the Terms of Use and privacy policies, if any, of the applicable third-party content providers.

#### 6. Data collection and processing in case of access from the Internet

medK GmbH is currently not tracking the visits of this website and is not using cookies for this purpose.

##### YouTube

Wir setzen zum Einbinden von Videos den Anbieter YouTube ein. Die Videos wurden dabei im erweiterten Datenschutzmodus eingebettet. Wie die meisten Websites verwendet aber auch YouTube Cookies, um Informationen über die Besucher ihrer Internetseite zu sammeln. YouTube verwendet diese unter anderem zur Erfassung von Videostatistiken, zur Vermeidung von Betrug und zur Verbesserung der Userfreundlichkeit. Auch führt dies zu einer Verbindungsaufnahme mit dem Google DoubleClick Netzwerk. Wenn Sie das Video starten, könnte dies weitere Datenverarbeitungsvorgänge auslösen. Darauf haben wir keinen Einfluss. Weitere Informationen über Datenschutz bei YouTube finden Sie in deren Datenschutzerklärung unter:
